Resilience of the VO membership vetting process

Thursday, 23 March 2023 12:00 (30 minutes)

This presentation reports on a series of exercises that checked the steps of the vetting process to gain VO membership for Check-in users. EGI Check-in accepts a range of identity providers on different trust levels, ranging from social media accounts where the identity provider can only guarantee that someone was in control of a mobile phone number or an email address.
