Interoperability across Europe and Asia Workshop (II)

Wednesday, 23 March 2011 16:00 (1h 30m)

This Workshop propose a step forward on the successful Workshop organized by the EU-IndiaGrid2 project at OGF30 in Brussels: Interoperation and Interoperability across European and Indian e-Infrastructures, and will be organised in cooperation by the CHAIN and the EU-IndiaGrid2 projects. The CHAIN project, (Coordination and Harmonisation of Advanced e-Infrastructures) started on 1st December 2010.

Agenda:
(1) Introduction
(2) Network aspects
⬚ Contribution from DANTA/TEIN3
⬚ Contributions from Region Representatives
(3) Regional e-Infrastructures
⬚ Contribution from EGI
⬚ Contribution from CHAIN
⬚ Contribution from EU-IndiaGrid2
⬚ Contribution from Regional
⬚ e Infrastructures
(4) Middleware solutions
⬚ Contribution from EGI/EMI
⬚ Contributions from Grid
(5) Interoperation Now Community Group
⬚ Contribution from Regional
⬚ e Infrastructures
(6) Conclusions

Presenters: MASONI, Alberto (INFN National Institute of Nuclear Physics); RUGGIERI, Federico; MATYSKA, Ludek (CESNET); PAGANONI , Marco; PRNJAT, Ognjen

Session Classification: Interoperability across Europe and Asia Workshop
